**4. This insurance**

4.1 attaches only as the interest insured and as to any part as that part is loaded on the aircraft for the commencement of the air transit insured and

4.2 terminates, subject to 4.5 and 4.6 below, either as the interest and as to any part as that part is discharged from the aircraft at the final place of discharge

or

on expiry of 15 days counting from midnight of the day of arrival of the aircraft at the final place of discharge, whichever shall first occur;

nevertheless,

*subject to prompt notice to the Underwriters and the payment of an additional premium*, such insurance.

4.3 reattaches when, without having discharged the interest at the final place of discharge, the aircraft departs therefrom, and

4.4 terminates, subject to 4.5 and 4.6 below, either as the interest and as to any part as that part is thereafter discharged from the aircraft at the final (or substituted) place of discharge,

or

on expiry of 15 days counting from midnight of the day of re-arrival of the aircraft at the final place of discharge or arrival of the aircraft at a substituted place of discharge, whichever shall first occur.

4.5 If during the insured voyage the aircraft arrives at an intermediate place to discharge the interest for on-carriage by the same or another aircraft or an oversea vessel, such insurance terminates on expiry of 15 days counting from midnight of the day of arrival of the aircraft at that place, but reattaches as the interest and as to any part as that part is loaded on the on-carrying aircraft or oversea vessel. During the period of 15 days such insurance remains in force after discharge only whilst the interest and as to any part as that part is at such intermediate place of discharge. If the insurance reattaches, it thereafter terminates in accordance with 4.2, unless the interest insured is forwarded on an oversea vessel when the relevant current Institute War Clauses shall apply from the reattachment of the insurance.

If the interest is subsequently consigned to the original or any other destination, then, *provided notice is given to the Underwriters before the commencement of such further transit and subject to the payment of an additional premium*, such insurance reattaches

4.6.1 in the case of the interest having been discharged, as the interest and as to any part as that part is loaded on the on-carrying aircraft for the transit;

4.6.2 in the case of the interest not having been discharged when the aircraft departs from such deemed final

place of discharge;  
thereafter such insurance terminates in accordance with 4.4.  
(For the purpose of Clause 4  
"oversea vessel" shall be deemed to mean a vessel carrying the interest from one port or place to another where  
such voyage involves a sea passage by that vessel)
