### 1. Overview of the HEARTHEART Project to Deliver Picture Books to Children Around the World

This project involves donating translated versions of the picture book into various languages, entitled *You are the only one, but never a lonely one* authored by XYZ to countries around the world in order to convey Japan’s appreciation for the huge amount of support and assistance received following the Great East Japan Earthquake.

\*This project has been certified as a 40<sup>th</sup> Year of ASEAN-Japan Friendship and Cooperation Commemorative Project and a Japan-Vietnam Friendship Year Project.

On this occasion, picture books were donated to Myanmar, with which Sompo Japan has maintained a deep relationship that began with the opening of an office in the country in 1942. ### 2. Picture Book Donation Ceremony

The picture book donation ceremony was held on October 31 at Yangon City Hall. The ceremony was attended by around 180 people that included children representing 50 schools; the Mayor of Yangon, the Honorable U Hla Myint; and the Japanese Ambassador Extraordinary and Plenipotentiary to Myanmar, H.E. Mr. Mikio Numata. Representative of XYZ Keiko Yokoi presented the picture books. The head of Sompo Japan’s Myanmar Representative Office, Mr. Okada, also gave a speech during the ceremony.
