

## Wild Fauna and Flora Clause

It is understood and agreed that

(1) no claim will be paid unless the trades of the goods covered hereunder are lawful in the light of any rules, regulations and/or laws enforced in compliance with the Convention on International Trade in Endangered Species of Wild Fauna and Flora (CITES, so-called "Washington convention") in each country of origin, export, re-export or import,

(2) the assured, if required by this Company, shall submit certificates, permits, vouchers and/or other documents showing that the trades are not inconsistent with above rules, regulations and/or laws,

and

(3) this Company shall have the right to investigate facts and legality in respect of the trades in case of claims being presented.
